

CAMPING INFORMATION & REGISTRATION

Camping facilities are available for teams registered for this year's North Cornwall Cup event. The option of camping began in 2010 and proved hugely popular as it provides clubs and families with the option of a weekend football tour to the coast without needing to spend unrealistic amounts on tournament fees and accommodation at a time when finances are tight for so many. The camping option provides teams with an affordable trip to an award winning holiday resort for a weekend of competitive football alongside barbecues, ice creams on the beach and of course, a famous Cornish pasty!

For £6-00 per person you will receive:

- An area for your tent to be pitched alongside team-mates
- Changing rooms as part of the towns local football club inc showers
- On site toilet facilities and portal loos where necessary
- On site clubhouse, licenced bar, TV and food kitchen with respectable prices
- On site security where necessary during unstaffed hours
- Saturday evening event fireworks display (if enough bookings)

The camping facilities are located just a 5 minutes walk from Bude Town centre where there are numerous shops, takeaways, restaurants and local bars. The main beaches are around 10 minutes walk away and the football itself is approximately a 15 minutes walk or 5 minutes drive.

Camping is available on the Friday, Saturday and Sunday through the competition but can be extended as required – please contact regarding this and simply add these details when returning the form.
