☐ U15	_____	Manager: _____ Mob: _____	6 a side	SUN
☐ U15G	_____	Manager: _____ Mob: _____	6 a side	SAT

TOTAL FEE PAID (£50 per entry): £ _____

CAMPING: Camping facilities are available via a separate form at a cost of just £5.50 per person per night allowing teams the option of a genuinely affordable weekend football tour. Facilities include toilets, showers, electricity, clubhouse with licenced bar and food. Facilities are just a 5 minute walk from Bude Town Centre, featuring numerous shops, restaurants, takeaways and bars, and the town's multi award winning beaches

ENTRY: The entry fee includes payment of official referees from the CCFA for ALL games plus a donation to the grassroots academy ensuring all teams receive a very high standard of refereeing. One free event programme will also be included per entry. Entry confirmation will be sent within 7 days of receiving payment and team registration forms will be sent 2 weeks before the event detailing pitch allocations and fixtures. To prevent organisation confusion, age groups relate to those in the 25/26 season (as it is being organised during this period), however, the event will take place within the 26/27 season, therefore player registration does not need to correspond with the 25/26 season

Awards provided for all finalists along with the renowned NCC trophy for event winners. U8's (fair play trophy) will all receive a participation medal

Until the new website & payment system is finalised, entries made before Friday May 1st should be paid to:

Mr Craig Simpson / Sort Code 04-00-75 / Account No 21027501

Any registration fee paid to this account after this date will be accepted and simply moved to the new account

Until the online submission is working – please email this form to info@northcornwallcup.co.uk
